INSPI[RED]

Since 1920, Itawamba Community College has served the needs of many students and the surrounding communities. The College fosters the academic growth of its students, with enrollement peaking at more than 8,500. There are many factors that contribute to the increasing enrollment at ICC, besides the caring faculty and staff, the financial assistance available, the flexible scheduling, the proximity and affordability all contribute to the growth of the college.

History has demonstrated ICC's ability to inspire others and that is a key element in the success. This year's theme, **"Spread the Red,"** embodies ICC's school spirit. Moreover, it symbolized the College's desire to educate the students and the surrounding areas. Since its purple and gold beginnings, ICC has evolved into a community icon and has become synonymous with the words **"Spread the Red."**

ICC faculty, staff and administration fosters an environment not only centered around academic excellence, but on group solidarity. The students that attend ICC consider themselves part of the ever-growing Indian family. One of the key factors that contributes to ICC's success is the nurturing and caring environment the faculty, staff and administration work hard to maintain. These dedicated men and women are responsible for a multitude of task and work inexhaustibly to ensure student success. Although students vary in age, and range from the traditional student to the adult learner, ICC does a great job maintaining the family atmosphere.

PREPARING FOR SPRING '11

John Gatlin throws in the pitch.

The ICC baseball team spent their fall practice time preparing and evaluating for the spring season. In the fall the team held its annual Red vs Blue series of five intrasquad scrimmages and the winning team was awarded a steak dinner. "The fall is an evaluation time," head coach Rick Collier said, "it is big in letting us figure out what we're going to do."

"I think we're going to have a chance to be good again. We've won seven out of the last eight north division titles. We've got a good group."

John Gatlin, starting shortstop, from Tupelo, MS has signed with the University of Mississippi for next year. "He's going to see some time on the mound," said Collier.

The team is working hard during the fall to prepare a competent lineup for the spring 2011 season. "There's been some positions that were filled in the fall, but we'll start a couple of different lineups the first few double-headers to give everyone a chance."

Soccer teams score big with honors

The women and men's program both received the 2010 Tom Sheppard Sportsmanship Award.

"We were well-represented by both squads," said Sullivan. "All eight of the players that received postseason honors played their hearts out all season and earned the recognition."

ICC sophomore defenders Katelynn Davis (Cordova, TN) and Logan Ayers (Tupelo Christian) were selected as National Junior College Athletic Association (NJCAA) All-Region 23 team.

"It was a surprise and an honor to be considered one of the top players in the Region," said Davis. "We really improved as a team throughout the season. We started out with small numbers and didn't expect the success we had, but we really came together as a team to be able to have an outstanding season.

The Lady Indians advanced to the Mississippi Association of Community and Junior Colleges (MACJC) Tournament after finishing second in the North division.

"I am really honored and was really surprised when Coach Sullivan told me about getting the award," said Ayers. He finished tied with a team-high five goals and added one assist for a total of 11 points on the season. The Indians missed out on postseason play after finishing third in the division.

'Bittersweet'

end to the season for the Indians

Three first-half turnovers led to two touchdowns to help the nationally ranked Northwest Community College pull away for a 31-14 victory over Itawamba Community College in a battle for the Mississippi Association of Community and Junior Colleges North Division championship.

Kevin Buford booted a 25-yard field goal in the first quarter before Jay Jones added a 2-yard touchdown run to give the No. 4 Rangers a 10-0 lead early in the second quarter.

The Indians (5-4, 4-2) drove to the Northwest 15-yard line when Jeff Carlyle returned a Justin Rogers interception on a fake field goal 93 yards for a touchdown with 9:36 left in the first half. Jones added his second rushing touchdown of the first half on a 1-yard run to give the Rangers (9-0, 6-0) a 24-0 lead at the break.

"Give Northwest a lot of credit," said first-year ICC head coach Jon Williams. "They proved they are one of the top teams in the nation and in a game like this we had to shoot all of our bullets, but give credit where credit is due Coach Woods and his staff did a great job having his team ready for anything and everything."

Brent Osborn found Myles White for a 10-yard touchdown pass to give the Rangers a 31-0 lead at the 11:22 mark of the third quarter.

The Indians answered with a pair of rushing touchdowns from DeShawn McGaughy. The freshman running back from Itawamba AHS scored on a 12-yard run, but the extra point was blocked making it a 31-6 contest. McGaughy scored on a 2-yard run and Andy Wilson found Garrian Heard on a successful two-point conversion to make it a 31-14 final.

ALL THAT MATTERS IS THE "W"

Indians Win in Close Games

Looking at the Indians results for this season might confuse some who look at it. In the five games the Indians won they only won by 25 points in those games. The Indians ended their season with a record of five and four.

In the teams first win of the season they only won by seven points over East Central in Decatur.

"Our defense bent but never broke," said head coach Jon Williams. "When we had our backs against the wall the guys dug deep to make the plays we needed to win."

The Indians only needed one point to beat Mississippi Delta and Coahoma.

ICC would win its next game by the biggest margin all year, the Indians beat Holmes 33 to 20 in Goodman.

The Indians final win of the season would come over rival Northeast winning 20-17.

"This feels better than I ever could have imagined," Williams said.

COLD WEATHER HOT STREAK

Despite the cold weather, Alex Rowland and the ICC Indians golf team finished seventh at the Brookhaven Country Club and Wood Hollow in the third MACJC event of the season.

"We're improving," said ICC golf coach Dr. David Rather. "Every tournament we've gotten better. Anytime you are wearing four or five layers of clothes, it messes with you because golf is a feel game."

Rowland ended with a final round 75 to finish tied for 13th at 151, just two strokes away from a top-ten finish.

"Going into the last tournament Alex was tied for third in the state. He did slip a little bit this last time, but that's not anything that he can't overcome. He is very consistent, a hard worker, and it's paying off for him," said Rather.

Montana May shot 154 to finished tied for 22nd while Bobby Parks, Adrian Dyson, and Jay Henderson all finished in the top 40 of the tournament.

"Montana had a great tournament shooting a 73 on the final day and I'm expecting big things for him," Rather said.

COMMUNITY SERVICE

PHI THETA KAPPA REDEFINES SERVICE

Phi Theta Kappa has diligently undertaken the honors study topic: *The Democratization of Information: Power, Peril, and Promise*. A trip to Clinton, Mississippi, boosted our understanding of this topic and aided the planning for activities and service projects. Activities began with a movie night, watching *Stand and Deliver* to help recognize the role of mentors and teachers in the lives of those around them. Then the PTK advisors and members actively worked with Big Brothers and Big Sisters of Mississippi. Members served as "bigs" in the program, mentoring "littles", encouraging them, and inviting them to ride on the ICC float in the Fulton Christmas parade. Phi Theta Kappa sponsored a book drive and collected nearly 950 books for Big Brothers Big Sisters. They hosted the Wavorly and The Embrace in a benefit concert, raising $500 dollars for Big Brothers Big Sisters. Other service projects included a voter registration drive and a TOMS Style Your Soles Event. PTK members and its fellow advisors all have been busy, but they have enjoyed learning and serving.

They also participated in decorating Halloween bags for the child care centers on both Tupelo and Fulton campuses, and did a Fire Prevention activity with the children along with a mock drill. The club sponsored Hat on Day that was campus wide, in which everyone was asked to wear a hat of their choice and donate to the Foundation for Children with Cancer. To finish off the semester, the ICCEE sponsored an Angel off the Angel Tree. The Political Science Club worked to spread awareness of the importance of being a registered voter and also being knowledgeable about our government and elections.

GEA(RED) TOWARD MUSIC

The 300 members of the ICC All-American Band put together a top-notch musical performance and showcased it at five football games and two high school band competitions. The band also performed at four Christmas parades within the five-county district.

We now have a full, complete directing staff to handle a band of this size." Todd previously directed at Pontotoc High School and is originally from Nettleton, MS.

When asked about the band's efforts during the fall semester Director of Band Brian Gillentine said, "During the fall semester, the band has a duty to entertain and motivate the students and crowds at multiple events. The band adds to the atmosphere of our sporting events and pep rallys."

"Dearly Beloved" is the story of a completely dysfunctional but loveable Texas family in the throes of another series of life-changing events. The play takes a comical look inside the preparation for an upcoming wedding, the return of a long lost sister and an unexpected surprise from one of the family members.

Cast members included Caitlyn Kimbrell (Miss Geneva Musgrave), Kristen Stephens (Tina Jo Dubberly), Loraine Hensel (Honey Rae Futrelle), Kayla Hinds (Gina Jo Dubberly), Claire Wilson (Frankie Futrelle Dubberly), Chandler Chism (Dub Dubberly), Sarah Chamblee (Twink Futrelle), Lindsey Begley (Nelda Lightfoot), Tyler Martin (Justin Waverly), Eric Soderstrom (John Curtis Buntner), Garrett Doorenbos (Wiley Hicks) and Patsy Price (Christina Dooley). Crew members were Alison Gaddy and Allison Osbirn. Cy Williams was the director of the production.

Graduation...It Matters!

"The success of Itawamba Community College's students is very important to me...I'm enthusiastic about the future of the College and what we can do to continue to touch the lives of our neighbors...When I'm not working, I enjoy spending time with my family, especially my granddaughter."

GEARED FOR SUCCESS

The success of students is what motivates Dr. David C. Cole, ICC's fourth president, to work tirelessly for their future.

Caring, concerned, innovator, visionary, servant leader and one who leads by example describe Dr. Cole.

Beneath the surface are additional characteristics, those which make him the extraordinary leader that he is – tireless, competitive and networker. His appointments and activities don't end at 5 p.m. every day because he wants ICC to continue to be the premier community college in the region, state and nation.

This year is no exception. In spite of lean budgets and reductions in appropriations, tuition and fees remained the same at ICC, the only institution of higher learning in the state that maintained student expense levels. "We realize with the unemployment rate and the economy, now more than ever, the College needs to make extra sacrifices to meet the needs of the people we serve," Dr. Cole said.

Sometimes sacrifices must be made to promote positive change.

Under Dr. Cole's leadership, this year the College initiated a three-year $8 million capital campaign for the construction of an Allied Health Center at the Tupelo campus, to cluster eight of its medical-related programs, ensuring that graduates will be more prepared for the work force.

Student success has always been a priority for ICC, but during 2010-11 the College has emphasized the value of a degree with its "Graduation….It Matters" initiative. "It pays to graduate," Dr. Cole said, because a diploma improves the chances of obtaining employment as well as affording both financial and personal advantages. Strengthening the interaction between advisers and students and the communication of the benefits of earning a degree are significant components of "Graduation…It Matters," Dr. Cole said. Communication is the key to better understanding student needs to ensure success.

News that Garne[RED] *our attention in 2010-11*

In 2010-2011, there were a lot of names in the news in sports, entertainment, and politics. *American Idol* brought us Stephen Tyler and Jennifer Lopez, the show has since been called too nice by many critics. The BP Oil Spill became the hottest topic in America as millions watched BP struggle to cap the well. In Washington, DC a power shift was felt as the Democrats lost the House of Representatives to the Republicans. John Boener became the Speaker of The House. Kim Jong-Il made more tensions between North Korea and South Korea, but the conflict was quickly resolved. Jeff Bridges had the #1 movie in American twice, as *Tron* opened at #1 and *True Grit* became the #1 movie after 2 weeks. Cam Newton lead Auburn University to its first national championship since 1957, but also brought on one of the biggest NCAA Controveries of all-time. Charlie Sheen faced many personal issues and entered rehab, but still had the #1 sitcom on CBS *Two and a Half Men*.

REVE [RED]

In 2010-11, an old face became new again. Betty White stole our hearts and captivated our attention at age 88 with "The Proposal," a new sitcom "Hot in Cleveland," and became the oldest person to ever host "Saturday Night Live." Ke$ha stole the music scene with hits like "You're Love is my Drug", "Tic Tok", and "Blah, Blah Blah." The San Francisco Giants defeated the Texas Rangers to capture the World Series. The Green Bay Packers brought the Vince Lomabardi Trophy back to TitleTown, USA. George Steinbrenner iconic owner of the NY Yankees died in 2010. The Chilean miners were rescused after 69 days. Leslie Nielsen star of great comedies like "The Naked Gun" series and "Airplane," passed away. Julian Assange became the world's biggest villian and national security threat with Wiki Leaks. Don Meredith, former Dallas Cowboys QB and Monday Night Football analyst, passed away this year as well. Congresswoman Gabriella Gifford (R) from Arizona was shot and nearly killed along with 17 other people by a crazed gunman at a rally. America caught Bieber Fever as Justin Bieber became the hottest teen sensation since the NSYNC. Elizabeth Edwards lost her battle with breast cancer.

Stories that Captu[red] our interest

Many major events took place at ICC in 2010-11. Governor Haley Barbour and officals from Toyota Motor Manufacturing Mississippi, Inc. announced at the Win Job Center on ICC Belden Campus the resuming of hiring at Blue Springs. Operation Christmas Child was back in full force this Christmas Season as many children all over the world received presents from ICC Students. ICC Student Success Center director Dr. Bronson Prochaska helped many students with final exams to help ensure success with the Graduation: It Matters campaign. Malcom Stone of Pontotoc gave blood with many other students during two week Collegiate DECA sponsored blood drive. Itawamba Hall opened for business with a formal ribbon cutting lead by ICC President Dr. David Cole. Head Football Coach Jon Williams delivered a pep talk to the students prior to Homecoming. Coach Williams and staff also led the Indians to defeat their rival Northeast Tigers. Phi Theta Kappa Fulton co-advisor Robin Lowe held a new member orientation session at ICC. ICC Cheerleaders placed 3rd in the entire nation among community colleges and junior colleges in Orlando, Florida. Winter Storm 2011 hit ICC, but many students took advantage of it playing for days in the several inches of snow. ICC wide receiver Alex Thornton recieved the 2010 Bennie Abram LEGACY award from the Abram family during the Indians' home opener.

Colophon

The final pages of the 2011 Mirror were shipped to Jostens in Clarksville, Tennessee in mid-February, the culmination of work which began in August. The 1,500 copies were printed and shipped to the Fulton campus for distribution. In his third year as ICC's Jostens sales representative, Chris Coleman helped to produce the 9" x 12" book, which was printed on 1003 Unisource Gloss. Photographs were made by Kim Wiygul Williams, Maggie Caldwell, Jared Burleson, Petre Thomas and publications staff members. Also, the staff expresses its appreciation to club sponsors and students for submitting photographs. A very special thank you goes to adviser Kim Wiygul Williams, to Connie Yielding for proof reading and other assistance, to Will Kollmeyer and Adam Gore for sports information, and to other faculty and staff members on both campuses who assisted with photo identification. As editors, we also appreciate all staff members who worked diligently to complete their pages before the deadlines. We selected "Spread the Red" as theme of the 2011 yearbook, because not only is it a part of our athletics programs, it also truly inbodies the pride and spirit that is Itawamba Community College. We hope that as you read this book you see the red spread through the pages, and you continue to keep the ICC red in your heart.
